It is said the Lands Between are beautiful, and that each person born in the Lands Between receives their own unique power. However, in order to reach this land of beauty, the hero will have to venture the warped land of darkness called the Demon Dimension, which lies between the Lands Between and the lands of light. In this new fantasy action RPG, you will experience a new adventure in an intense action game. You will assume the role of Tarnished, a young man who has lost his memories. You must then assemble a team, and infiltrate the demon-infested world in order to discover the truth behind your missing memories. Explore an endless Fantasy World Each day, you will face challenges to overcome as you explore this new fantasy world full of excitement. As you travel deeper and deeper into the Demon Dimension, you will discover the numerous dungeons and a wide variety of hazards awaiting you. The Dungeon Master will keep track of your actions and rewards when you defeat the monsters that wait for you, so be prepared. Explore a myriad of Dungeons From the beginning of the journey, you will begin to explore many dungeons that have been sealed by the demon. As you continue your journey, more and more dangers will await you. As you defeat the demon army bff6bb2d33
