ThunderSoft Screen Recorder 7.7.0. The video I want to record is more than 1 hour long. Thank you A: Your question is not clear. Is your question is: How do I prevent.txt file from being produced? Then you should create a different text file in a temporary directory and read it after the video has been finished. If you are asking for: How do I make a.txt file only be used for a certain time? Then you need to read the local clock of your computer before creating the.txt file and truncate that file after the specified time is reached. Kolding police say a knife-wielding robber used a dead man's credit cards to buy more than 6,000 dollars worth of goods. The crime took place on Friday, January 26th, at approximately 8:30 a.m., when a man who was known to the victim got up from a table in a cafe in Kolding. He then proceeded to attack the man with a knife. The victim managed to drive the man away in his car. The attacker then took the man's credit cards and drove off in the victim's car. Police say the man had the motivation to commit this crime as he was actually in the process of buying a car. Police in Kolding continue to search for the man and if anyone has any information on the case, they are asked to contact them at this number: Telephone: +45-70880 880 or call the police in Kolding at: 112. CCTV footage from the cafe and from both inside and outside of the car can be found at
