

Doss Asimom User Manual English

Grey Doss Asimom 3 DS-1169 Wireless Bluetooth Speaker can answer phone calls, and the app can only be in a language other than English, you won't be able to use it. Please download the app from the Google Play Store to read the English notice. one. When you enter the app, you need to find and connect to the earphones in the app, and then the earphones will connect to the phone automatically. 2. When you make a phone call, you need to press the headphone button again to answer or reject the call. 3. If you don't have a headphone app, you'll need to turn on Bluetooth on your phone and then find your headphones and connect to them. 4.
